

## Favorite Dishes: Tongue at One Market

02/18/2011

by **Michael Bauer** in **Between Meals, Favorite dishes**

Mark Dommen of **One Market** isn't one of the most visible chefs in the Bay Area, but he's one of the best. Just check out the tongue salad if you have any doubt. The slices are paper thin, draped like fine silk over pickled Napa cabbage with rye croutons, horseradish and chopped egg.
